Poptop White Plastic Container Small 13 Dram - 35mm

Packing huge punch for solidarity

Every customer is important and having these [wholesale Poptop White Plastic Container Small 13 Dram - 35mm](#) means you respect and live by that idea. Your petite melancholic and phlegmatic customers are soon making your store a favourite stop, not just for these sleek and neat packages, but for every other item you list.

White is the universal colour of surrender and for weed lovers looking for smoke adventures or experiences where they submit the dictates of their experiences to the favour and high of their weed choices, these containers make for good companions.

With these serenity-commanding items, the popular gospel of 'weed lovers are not unkempt people seeking escape from responsibilities' is written in bold letters. As cannabis items and accessory merchants, there is no better way of solidarity for the community of lovers of good times under the influence of cannabis.

Perfect Size with Perfect Depth

If you desire a spot in the beautiful story of excellence, and unbelievable sales transformation in the smoking accessories business, stock up with some [wholesale Poptop White Plastic Container Small 13 Dram - 35mm](#)

Because of their water-resistant properties, they are suitable for swimmers, deep-sea divers, hikers of mountains and waterfalls, e.t.c. it, therefore, eliminates the fear of water damaging the integrity and flavour of cannabis wraps and other gadgets

They are small and can fit into tiny packaging spaces in a backpack or travel bag, yet they are deep enough to hold different sizes of weed wraps, hemp, tobaccos and other small smoke gadgets, for example, clippers and lighters.

Suggesting this packaging container for adventurers as they shop through your store is one of the greatest favour you can do for them. If your store is as concerned about customer welfare as it claims in your slogan, then a wholesale purchase of these plastic containers would not hurt.

Poptop Green Plastic Container Small 13 Dram - 35mm

Package and Preserve Weed for Long Trips

When people plan long trips, one of their pressing desires is that their supplies would last them on the journey. So also do weed lovers, whenever they make purchases of their favourite flavours of hemp, cannabis plants or wraps, tobacco e.t.c. Solve their dilemma with these [wholesale Poptop Green Plastic Container Small 13 Dram - 35mm](#)

That is why Poptop came up with these green plastic containers with stylish pop lids. The green colour confers preservative abilities on these containers and your customer can be sure their cannabis supplies will not age faster than needed.

One of the ways these containers ensure the long-lasting character of anything inside them is their air-tight lid covering system. The covers close firmly and do not allow customers' cannabis collection to react with chemicals in the air.

Some of these air chemicals damage the integrity of cannabis leaves, and others react with the aromatic additives and render customers' weeds tasteless and bare.

Help your customers retain their favourite aromas and weed quality for as long as their trips, camps, adventures or quiet smoke time would last.

Roomy Containers with Multifunctions

Aside from having a tight lid lock and preserving contents, these PopTop's plastic containers have room for almost everything that qualifies as either a smoke accessory or not. This ranges from clippers to lighters, vapes e.t.c.

These [wholesale Poptop Green Plastic Container Small 13 Dram - 35mm](#) are eco-friendly because they are made of recyclable plastic materials. They are easy to maintain and keep for a very long time.

Whenever they are keeping customers' weed leaves or wraps safe from air, water and dirt, they can be converted into a useful office or kitchen gadgets. With these, your store is offering customers a multifunctional item for the price of one!

Poptop Gold Plastic Container Big 60 Dram - 50mm

More Room for Everything!

Finally, with these massive units of the **wholesale Poptop Gold Plastic Container Big 60 Dram - 50mm**, your customers can comfortably package all their cannabis collection in one place. They no longer need to undergo the pain of leaving one flavour behind when they go for long trips.

More room for everything! The entire length of PopTop's gold-coloured plastic container is enough to hold weed and its accessories. Your customers do not need to pack multiple containers or leave any weed flavour behind to make room.

Every weed flavour gets to make the trip!

Poptop is known for quality delivery, it is therefore not a surprise that these plastic containers perform well on durability performance tests. They remain customer favourites all over the world.

This golden variety of the cannabis packaging item is an express illustration of royalty and class. Gold is a treasure and the PopTop's golden containers are no less of a classical marvel for weed lovers.

Customers' Best Cannabis Collection Store

They are great at preserving or storing all flavours of weed, herbs, tobaccos e.t.c. Everything is in one place, air-tight covering, safe from insects, water, dirt and air.

An adage says not to put all eggs in one basket, however, because of their top-shelf properties and the Excellency of their characteristics, your customers can put all their weed in one container.

Roll away customer worries and boost their confidence in the safe preservation of their cannabis collection with this large container. It is reassuring to own an item such as this!

Give your store's smoke accessories section a golden sales turnover leap by including these **wholesale Poptop Gold Plastic Container Big 60 Dram - 50mm**. There is no better way to become a one-stop-shop for cannabis and its accessories!
