

Westward RESERVATIONS

Welcome... We'd love to have you stop by our beautiful restaurant! We allow only for a few reservations to be available online each day. Call to chat with our reservation specialist after 1 p.m. Monday through Thursday, and all day Friday through Sunday. We encourage larger groups to call us for reservations. If your party reduces or increases in size, please call our hosts at 206.552.8215 so we may best accommodate your needs. If you're interested in booking a party of five or more, please give us a call.

If our Opentable reservations appear full at your desired time, please call the restaurant to inquire about reserving seats at either our chefs counter where you are seated right on top of the action, or our front counter which has a wonderful view of the city.

Due to the limited number of reservations available and demand for seating we kindly ask that you call us if you are unable to arrive on time for your table. Circumstances may not allow for us to honor your reservation beyond an acceptable arrival time.

There are plenty of seating options for feasting and we can't wait to have you join us. At this time, we are unable to accept reservations for the beach and patio area, or for parties of greater than 10. Please check back for future opportunities!

No email reservations, please.

Private Events

To inquire about private events for groups of 10 – 150 please email us at parties@westwardseattle.com.
