**Valorant Points (VP) are the remarkable cash for Valorant**, Riot Games' not kidding shooter. VP is gotten through getting it through the in-game store. This infers that players need to purchase VP to get their #1 skins.

Since these should be obtained by paying with real money, players will as a rule be explicit with what skins they purchase.

Regardless, there are ways to deal with get Valorant Points without experiencing any cash and it's a trick that profits to Riot's League of Legends.

Long haul League of Legends players will understand that Riot Games has given players a restricted amount of RP for nothing to purchase skins. The solitary thing Riot demands therefore is a direct drawing in related to the game.

Along these lines, using this system, **Valorant** players can similarly introduce their drawings about the game or any of its agents to get **free VP**. To do all things considered, you ought to follow the going with progresses:

Open a ticket on the Valorant maintain page.

Pick "Purchases and In-game Content" or "General" as the characterization.

Attach your drawing and explain why you need those extra Valorant Points.

Present the ticket and trust that Riot will respond.

It should be seen that Riot Games simply agrees to store a constraint of 50 VP. So don't foresee getting an enormous number of points for event super-unmistakable drawing of your #1 trained professional.

Moreover, don't weight if you're not particularly worthy at drawing Riot can by and large offer their part as a trade off for your work, and if you don't actually acknowledge that it you can see this social occasion made by Riot featuring part of the drawings that players have sent them in the past couple of years.

Throughout ongoing days different Valorant players have discovered a way to deal with get free Valorant Points, the extraordinary cash used to open skins and the battle pass, from Riot Games, and here is the methods by which you can do it too.

Heartbreakingly for fans hoping to open the most exorbitant skins totally for nothing, its totally unimaginable of doing that, yet if you wind up being a couple VP short of a thing you need in the store then you can get those VP free of charge, instead of buying another pack of VP.

You ought to just contact Riot Games maintain and ask regarding whether your record can be credited with the VP you are missing. You can simply do this for restricted amounts of VP, commonly up to 50, and simply if you are short to buy a thing. If you are essentially searching free of charge VP for it you are presumably not going to succeed.
