A player hangs out in a Theme Park in Theme Park Tycoon, a ROBLOX game

ROBLOX has recently experienced a resurgence in the mainstream, with more than 160 million active monthly users. With so many different games available, new players or returners looking for a new challenge or experience may have trouble figuring out where to begin. Some of the best ROBLOX games take players to new worlds and allow them to exercise their creativity. These games are also highly replayable, offering a new experience every time for solo players or co-ops. From management sims to murder mystery games, to a platformer similar to Nintendo 64 Mario games, here are some of the best free ROBLOX games available today.

Not every ROBLOX game will appeal to every player who uses the platform, so players should look for options that best fit their interests and play styles. Players are encouraged to try any games that interest them until they find one they like.

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.

Core Games is similar to ROBLOX in that it is filled with games created by a community of users, but they are not constricted to a specific style. The boxy element of ROBLOX isn't evident on this new platform, but it is part of what gives ROBLOX its charm. Twitter user @hugobos13465401 perfectly encapsulates the agonizing decision players face.

There is a lot you can buy with ROBUX. You can purchase games within ROBLOX to play, purchase premium servers for just you and your friends to play in, within specific games, and purchase in-game bonuses and items to help you play. Each game has its own in-game purchases, set by the developer, who gets to decide how much these cost and what they do.

As time went on, ROBUX and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have ROBUX be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content.
