you have a flair for design and you know how Roblox designs work, you can use your skills to earn robux. To start with, you need to find someone in Group Recruiting Plaza who needs help in designing a game. There are many prospects who are willing to do recruit people who can design their games. All you have to do is pitch them and give them a good reason to recruit you. Once you do that, you can wait for their approval. This is one great strategy for getting prospects and using your skills to earn more robux.

Showing the Chinese daily what her daughter had spent, the transactions were made in exchange for in-game currency, which can be used to buy things such as virtual pets and renovating one's virtual home.

Referring to how verification is usually required when she helps her domestic helper top up credits for her mobile phone line to call home, Wang couldn't fathom why there was no verification required or any sort of prompt before her daughter's transactions went through.

"I've called to ask Apple's customer service and support, but I still can't figure out where the problem lies," Wong said.

She hopes that other parents, through her experience, will take greater caution of their children's online spending habits.
