November's promo codes are primed to drop any time now, but in the meantime, you may as well make some quick cash and get free Among Us skins generator 2020.

A red, rounded rectangular button with a white border and a slight shadow. The text "GET INSTANT ACCESS!" is written in white, bold, uppercase letters with a slight shadow effect.

There are multiple ways to earn Among Us skins, and even some opportunities to get some absolutely free!

Continue below for the best methods to do so.

How to get Free Among Us skins

Purchasing anything from the in-game catalogue requires Among Us skins, the official currency.

IT'S EASY: Just follow the steps we list below!

And the more you have, the more special items you can buy!

Using Among Us skins allows users to create game passes and developer products in different games – a touch that cements Among Us as a game of the future.

There are a couple of reliable ways to make some quick cash, so we will take you through them below.

Create a Game

However, one of the best way to actually get 'free' Among Us skins is by creating your very own Among Us game.

JAILBREAK: No matter which side you are on, you'll need to keep your wits about you.

All users are able to build as many games as they want, and it's pretty easy to do so:

Click 'Create' in the blue bar at the top of the page

In the 'My Creations' tab, click 'Games' if it isn't already highlighted

Click 'Create New Game'

Choose the settings and templates for your new creation, then click 'Create Game'

While you can earn actual real-life currency with in-game purchases, you can also monetize certain elements of your game to collect Among Us skins.

Sell your Clothes

Well, not literally the ones off your avatar's back - ones you've made yourself!
