Bhaji is an aspiring actor who never gets any roles because of her arrogance and bad attitude. She's usually playing the villain in her films, but she really wants to play the hero. One day, she finds out that she has to do community service for something she did wrong and is assigned as a sidekick to ACP Shivani Singh, who has just been promoted. ACP Shivani Singh is an uptight police officer who doesn't want anything or anyone to stand in her way of becoming the next Commissioner of Police. She does not want Bhaji around because they clash with each other at work and don't agree on anything. Bhaji, being the badass she is, decides to get on ACP Shivani Singh's good side and become a better person in the process. And since Bhaji is a hardcore foodie, her favorite hobby is cooking! Her signature dish is called "The Bhaji"! Bhaji In Problem Movie Download Dual Audio 720p Bhaji In Problem Movie Download Dual Audio 720p
