Get ready for a lesbian dating site like you've never seen before. Taimi offers an ocean of advantages to its users. Everything you do on this free site opens you to new people and relationships. No matter what it is that you want, you'll certainly find it on Taimi. Whether you're looking for a partner

for casual dating or a serious relationship, we'll give you what you want.

Plus, Taimi is a dating app created for everyone. Unlike many other online dating sites you don't need to pay anything to use our dating app. That is unless you go beyond the app's free version and choose a premium version instead.

Taimi drifts away from the typical free lesbian dating apps and instead opens its doors to all kinds of queer women. You could be in your youth, older, or middle-aged. You might identify as butch, femme, or have other vibes and still find the niche for you.

Do you want to try face-to-face dating again or as close as you can get? Feel free to join the local events organized by other Taimi users and groups. You can learn more about these events by following Taimi influencers and talking to other people in your area. The Discovery feature can also give you a heads up on local, national, and even international online events.
