

An action-packed thrill ride exorcising the world of evil spirits, The Last Witch Hunter stars Vin Diesel bringing his cult legacy to life. A witch's curse has denuded the earth of its natural resources. Humanity is on the brink of extinction, fighting amongst themselves for food and fuel sources. As humanity's last hope, Kaulder (Diesel) must fight to stay alive long enough until he can find a way to undo this horrible curse. The catch? Kaulder is immortal because he's being hunted by an ex-girlfriend now turned vampire queen who wants revenge for him slaying her family centuries before... The Last Witch Hunter is a fast-paced thrill ride that delivers spellbinding special effects and an all-star cast that keeps the action going from start to finish. The Last Witch Hunter also stars Elijah Wood, Rose Leslie, Michael Caine and Julie Engelbrecht in a star-studded cast.

The movie was panned by critics for being "dull" and "uninspired". It currently has a Rotten Tomatoes rating of 15%.

In India the film was released on October 9, 2015 in 1500 screens. The following week it was much expanded to over 2400 screens. In its first week the movie had a box office collection of Rs. 46 crore. The movie was declared a flop in India. The movie was banned in Pakistan and the Federal Censor Board of Pakistan citing objectionable material in the film. An official statement from representatives of The Last Witch Hunter said: "it is rather unfortunate that the Censor Board has imposed a blanket ban on our film without any prior notice on its release date on October 9." In a recent development, The High Court on Friday overruled the decisions of the Film Censor Board and said that they cannot ban any film on their own, without taking orders from competent authorities.

The soundtrack of "The Last Witch Hunter" was released on October 7, 2015 by record label Universal Music Group. The soundtrack consists of 19 tracks, which are composed by various artists including Linkin Park, Foals, Paloma Faith, Imagine Dragons. It also features a track by Wayne Static of Static-X entitled "10 More Lies". The song "The Last Witch Hunter" was written and recorded by Serj Tankian (of System of a Down) and his bandmate Shavo Odadjian specifically for the film. A lyric video for the song was released on Tankian's YouTube channel on October 2, 2015. On September 24, 2015, an official music video for the song was released via Vevo and YouTube. The video features behind-the-scenes footage from the film and footage from the NYC premiere. Tankian officially released the song on October 9, 2015 via all digital music platforms. The soundtrack releases were accompanied by the release of three singles: Linkin Park's "War" and Imagine Dragons' "Leviathan" and "I Was Me (It's Worse)", and also the promotional single by Paloma Faith, "Only Love Can Hurt Like This". The latter was scheduled to be released as a single on October 19–20, 2015 in Germany and Australia. A video game based on the film was developed by Magic Forge Entertainment and published by High Voltage Software for PlayStation 4 and Xbox One. The game was released on January 12, 2016.
