In the year 2026, Wade Wilson is living a quiet life of being a mercenary. His peaceful retire has been interrupted by a breakneck motorbike chase that ends with him falling into some vats of acid and then waking up 15 years in the future, where he begins to have some very strange visions about a search for something called "the diaries". You can watch almost all Deadpool movies online with high quality 720p or HD 1080p without any cost.
