Written by [Zoë Hannah](#) · Updated October 6, 2022

Your favorite furry friends deserve to be celebrated at the holidays, too!

This selection of gifts for dogs and dog owners was created by a cart-happy [new puppy owner](#) who can't resist the urge to buy yet another chew toy for her little baby. It's filled with cute trinkets to help you embrace how insufferable you are now that you have a dog and she's your whole personality, as well as puzzles for your pup and treats that'll make the holidays paw-some.

If you buy something from this list, you're contractually obligated to send me a video of your dog opening it, okay?
