Murder — Investigation. Rosalind didn't like him but I did. The multi-layered mystery unfolds at a steady pace, woven amidst these varied settings. They can do it just as well by themselves, so there is no harm in closing churches. Sort order. Moved along quickly and the ever-present love triangle. Rosalind investigates the tangled web of the Seymour family, blackmail, a marquisate in question. America's most influential journal of religion and public life. Downloadable Library. Also making a return appearance is Devon Winterbourne, Duke of Casselmain, Rosalind's beau when they were both younger. It is much easier to assess the value of a bag of salt or a cow than a lump of metal. Sep 05, Merry Jewelhound rated it it was ok Shelves: series , clean-book , mystery. I didn't think it worked that way. It was nice seeing him in his element at the inquest and seeing just how good a fit his occupation is for him. Learn more here. Rosalind, through no fault of her own was changed overnight from a proper

lady within the "ton" to a penniless nobody with nothing, and she managed to build a new life without becoming a whore or marrying some horrid nasty m I enjoyed this second book in the Rosalind Thorne mystery series, but not quite as much as I did the first book. We are now offering contactless pickup and return at select locations with Books on the Go! In casinos, hundreds to thousands of gamblers gather for hours on end in close proximity to eat and drink, pull slots, and handle poker chips every day of the week. Fletcher Cavendish invites Miss Thorne and her friend Alice to dine with him after his "brilliant" performance. More filters. This is a series that would probably best be read in order: while this tale could stand alone, I feel readers would have more of an attachment to the heroine if her backstory were more fully fleshed out by reading the first novel in the series *A Useful Woman*. Devon's young cousin Louisa adds some humor to the story. Library Home Page. On the surface, it appears to be a straightforward mystery. Tends to be a mystery of manners after all. Fascinating multilayered mystery building to an exciting conclusion - delightful! Unfortunately, the matter escalates It's the Regency era. Date Edition Publisher Phys Desc. On Shelf. Indeed, Christianity makes the bold claim that they are more important, because they affect us eternally. To complicate matters Margaretta freely admits that she and Cavendish have known each other for many years and are good friends, but definitely not lovers. Very fascinating how evidence was gathered and how the coroner and later court proceedings went. I think she does have feelings and she cares about her husband, in her own way. It's been awhile since I'd really studied English nobility but I thought you could only inherit through the paternal line, not maternal. The OverDrive Read format of this ebook has professional narration that plays while you read in your browser. The best of our journalism, hand-picked each day Sign up to our free daily newsletter, The Economist today Sign up now. Historical Fiction. Place Hold. The Aztecs used cocoa beans as cash until the 12th century. Unfortunately, the matter escalates when Fletcher is discovered murdered in his dressing room. But not enough to hamper my enjoyment of this book though I could see it bothering others. To ask other readers questions about *A Purely Private Matter*, please sign up. Adam is my favorite character; his honesty and sense of justice are his finest qualities. Languages English. But it is incredibly hard to value raw metals, Mr Goodhart argued, so the cost of using them in trade is high. But before she can make any progress, Cavendish is found dead, stabbed through the heart. I'm not sure Rosalind made the right choice. Everything else seemed well done And the public purse gets a second boost from seigniorage, the difference between the value of the coins and the cost of producing them. The lov Rounding up a star because the audio narrator is delightful. Also in This Series. Is it possible for a peer like the Marquess of Wayland to pass his title on to his sister's offspring? Her past has hardened her and made her cynical. Footer Menu. There was a third brother, Cecil, whose widow and daughters reside in the Bertram household. If that doesn't work, there may be a network issue, and you can use our self test page to see what's preventing the page from loading. Margaretta or her wronged husband seem the most obvious choices but Rosalind isn't sure it's that easy. Wilde continues to write more about Miss Thorne, and her detective skills. I hope to read more about Rosalind! Women Detectives — England — Fiction. I found him creepy. The second book in Wilde's Rosalind Thorne series is just as entertaining as its predecessor--I love historical mysteries where ladies get things done! Thanks to a profligate gentleman father who abandoned the family, Rosalind Thorne is making her own way by helping those of her class who have problems. Try refreshing the page. The puzzle is how people agreed what to use. The characters central to this book, mostly the Seymore family, are all well drawn and interesting. Loved the story, but not crazy about narrator. Contact Us Sno-Isle Libraries. Rosalind Thorne lost everything when her profligate father took her older sister Charlotte and abandoned Rosalind and her mother about 10 years previously; her mother died and left Rosalind alone to cope as best she might. Her latest endeavor is a tragedy The Rosalind Thorne mystery series—inspired by the novels of Jane Austen—continues as the audacious Rosalind strives to aid those in need while navigating the halls of high society Suspects abound, chief among them, the Captain's own wife. Perpetual complainers, they always want want want and feel someone screwed them over. Nor is it a proper Cartalist money, backed by a nation state. Margaretta maintains her innocence and wants Rosalind to help her out of her predicament, not for her own sake, but for her unborn child's. Sadly, I do not think writing mysteries is her forte. Quick Copy View. Lists with This Book. She's willing to accept a little impropriety because the older generation was less stuffy than the current one. His cousin is enough to deal with! May 17, Barb in Maryland rated it really liked it Shelves: mystery-thriller-goodies, historical-fiction. This has made her leery of giving up her hard-fought for independence and yet she knows her financial stability is precarious at best. You need not have read the first book to enjoy this one. But history shows that minting developed not as a private-sector attempt to minimise the costs of trading, but as a government operation. You can still place a hold on the title, and your hold will be automatically filled as soon as the title is available again. English Berkley Prime Crime, Those of us that enjoy recency books will like it. His wife seems like she could possibly rival Lady Macbeth while still appearing to care about appearances and the dictates of Society. Anderson and Marissa Day. The characters come from more than one social strata lending a nice rich variety. Rosalind Thorne has slowly but assuredly gained a reputation as "a useful woman"--By helping respectable women out of some less-than-respectable predicaments. The right applies especially to the central religious act—that of public worship. This series is a ton of fun to read, and I look forward to the next book. Browse Browse, collapsed Browse. It's pretty obvious Adam and Rosalind are going to be together. Like Rosalind, he believes in truth and justice and he is very good at his job. Holly Springs Community - Mystery. The library card you previously added can't be used to complete this action. Can she trust anyone to help her? Her older sister left with her father and seventeen year old Rosalind lived with a troubled mother until her death when Rosalind used her remaining society contacts to build a life as a 'useful woman' who could aid with social situations to secrets and lately murder. She maintains a tenuous position in society by serving as what would these days be called a crisis manager for women of ton. But civil liberties are interconnected. Sep 15, Mo rated it liked it Shelves: brit-lit, mystery, 0-dl, series, w-brk-audio-book. Jan 17, Eileen Lynx rated it it was amazing. Chaput and Michael P. Have a card? I n the midst of the current pandemic, why should casinos have greater freedoms than churches? Comments are visible to subscribers only. My only real complaint is actually a big one. It's the Regency era. She's one of those unfeeling women that populate the pages of these types of novels. Lady Weyland is a terrible mother. Not even a letters patent think that is the term that is attached to a small number. This mystery was good, and it kept my attention. Large Print. I love that it is set in the Regency, and inspired by Jane Austen. I even found that to be tepid at best. I think this is a series that could be read on its own, not in any particular order which might be nice depending on how many books the author ends up writing. Rosalind Thorne has made herself useful to ladies of the ton solving little matters that need the utmost discretion. Error rating book. As with the first book, I was struck with a feeling of being immersed in the Regency period and world of London at that time. In that way Wilde reminds me of another favorite mystery writer, Ann Perry, and her Victorian mystery series. The theater scenes seemed very accurate and the different characters are great. You've reached the maximum number of titles you can currently recommend for purchase. Want to Read Currently Reading Read. She was reared to be part of London High Society, but then her father getting into gambling and debts before disappearing disgraced her family leaving her chances of a good match and comfortable future shot to pieces. Because the woman is legally her husband's property, the legal filing is against the accused man suing for damage of property just like one would sue if the guy busted up the furniture or shot the guy's horse. This latest continues the intriguing personal story lines and character development behind the mystery itself that kept me reading swiftly and not wishing to put aside the book. It is smart and compelling. This book proved to be a

disappointment after the very good first book in this series *A Useful Woman*. Similar Series From [NovelList](#). [Goodreads Review: A Purely Private Matter](#) is an entertaining study in the lengths to which people will go in the name of greed to get what they think they are entitled to and to keep secrets. A huge part of the plot hinges on this and many other coincidences. Farris 6. Some humor is provided by Devon's young cousin Louisa, who has a major fangirl crush on Cavendish. I hope Ms. I especially love the handwriting analyst in this book. Find it at [Sno-Isle Libraries](#). I was under the impression it would pass to his sons and then his brother's heirs or cousins to the nth degree or in some cases MAYBE his sister's child but his wife's sister's child? Could she give up her occupation and her sister to marry her childhood love Devon Winterbourne, now the Duke of Castlemain? Summary [Add a Summary](#). I was surprised by her actions and didn't pity her after that. I do love mysteries, and found that a study shows people who read mysteries help to keep their brains working well by trying to solve the mystery. Admin Admin Admin, collapsed. More titles may be available to you. It's tough to wrap one's mind around the guilty until proven innocent way which is the reverse of things now. This debate is long-running but it informs some of the most pressing monetary questions of today. But informal money can exist on the grandest scale. [Related Articles](#). The Rosalind Thorne mystery series—inspired by the novels of Jane Austen—continues as the audacious Rosalind strives to aid those in need while navigating the halls of high society. I'd read the next one when it gets published. Rosalind is holding household with her varying and often complex tasks set by her clients though her latest task has left her off-balance because she could have sworn she caught sight of her vanished sister. She also creates clever and sympathetic characters and provides them with snappy and witty dialogue. I enjoy protagonist Rosalind's integrity and intelligence. Readers also enjoyed. Adding insult to injury, some of those officials have also been reluctant to prosecute vandals who have defaced church buildings. The Marquis of Weyland's family is a mixed lot. Money evolves to reduce barter costs, with some things working better than others. What about her position in society? Wilde would reveal a twist that had me reconsidering. [English On Shelf](#). Excellent second adventure in this Jane Austenish mystery series. Articles by Charles J. Fletcher is oily and too charming for his own good, but I can see why he had so many devoted fans. His brother, Sir Bertram, on the other hand, is awful. I found little to recommend the mystery. Despite the scandal that destroyed her family, and the personal pain still haunting Rosalind, she has survived on the fringes of polite society and even built a business and supported herself by being a useful woman: at first, by using her polish, organizational abilities and social knowledge to help arrange functions and events, but now she also helps gentlewomen of the ton recover from embarrassing or scandalous situations. Anyway, if you like Regency mysteries, this is good if a bit gloomy. May 24, Daniele rated it really liked it [Shelves: read Copies Location Call 1 of 1](#). Tea, salt and cattle have all been used as money. Check your account for due dates but we are still fine free! He has duties and responsibilities he never wanted and he can choose whether to help Rosalind or to withhold information. [CD Audio Books](#). [Rating details](#). This mystery really kept me guessing, which was so fun. He's attracted to her for the right reasons but knows she's above him in station and thinks they could never be together even if she cared for him. In this case, it is how cases of accused infidelity were handled. Thoroughly enjoyed this one as well. Rosalind decides to tackle one problem at a time! This is a solid historical mystery series. Rosalind Thorne has slowly but assuredly gained a reputation as "a useful woman"—by helping respectable women out of some less-than-respectable predicaments. Margaretta asks Rosalind to find out who is behind the scurrilous letters. Other books in the series. [Women Detectives](#). A Mengerian would say that this happens because metals are durable, divisible and portable: that makes them an ideal medium of exchange. Jul 01, Cindy Burnett rated it really liked it. It is not a spoiler to say he didn't do it. Cavendish is murdered several days later—And the Captain finds himself in prison, awaiting trial for murdering Cavendish. Suddenly, Rosalind is plunged into the middle of one of the most sensational murder trials London has ever seen, and her client's husband is the prime suspect. [Graphic Novels](#). The brewer's sons William Seymore and Sir Bertram are unhappy with their lot in life. The most often misused one was man with a knighthood or maybe it was a baronet, but either way Read this if you love Jane Austen, the Regency period, and clean mysteries. Where was the stuff in this story coming from? I couldn't put it down until the end. She is first and foremost intent on finding the truth and justice, sometimes without regard to how it will affect her social standing. The love triangle is okay—one guy has the personality of a wet blanket, the other gets a POV. I don't think Rosalind really liked her. The author is a pro: she ticks off all the plot boxes for mystery novels with romantic elements. [Berkley Prime Crime](#), pages ; 21 cm. If we allow this unconstitutional disregard of our freedoms, what other freedoms will be violated next? Use current location. She is intelligent, level-headed, ingenious, and a young woman of integrity. I really really liked this mystery much better than the first. Rosalind has been asked by Margaretta Seymore, a poetess of some renown, to investigate blackmail letters her husband has received, suggesting she was having an affair with Cavendish. [Web Exclusives First Thoughts](#). Meanwhile, she is also searching for information about a mysterious woman of the demi-monde she thinks might be her long lost sister Charlotte. She's in Town for her debut season and is quite young and silly. Read more [Michael P. Rosalind Thorne](#) on another case. It allows producers to specialise and reap gains from trade. I loved this book. Anyway, I look forward to reading more in this series for sure. Rosalind Thorne has slowly but assuredly gained a reputation as "a useful woman"—by helping respectable women out of some less-than-respectable predicaments. Definitely going to grab the third one. Add a card. But who did? Edition: First edition. Also of note is the handwriting analyst Miss Onslow. Margaretta asks Rosalind to find out who is behind the scurrilous letters. I enjoy the scenes set at the Bow Street station and the bowls of the Theatre Royal just as much as those in the morning rooms of the affluent. *A Purely Private Matter* is book two in a series that offers standalone mysteries with each new installment, but reads best in order because of series plot threads carrying over. I still can't entirely forgive him for something in the first book but I almost did until the end. I think Mr Seymour then was the younger brother of the dead Marquis. [Manners and Customs](#). [Logged In As](#). But, a new case involving a poetess wishing Rosalind to help her avoid her husband bringing a criminal suit her male actor friend and divorce to her for infidelity, is definitely enough to keep Rosalind distracted. And that reveals not only a disregard for the First Amendment but also a complete misunderstanding of people of faith and why they gather to worship. Sep 01, Abigail Bok rated it really liked it [Shelves: austenesque-novels](#). In The I would greatly like to see her again. [Private Investigators](#). [Prev Article](#). There were parts of the story that could have made it interesting but were not fleshed out. The "love triangle" seems really strained. She wouldn't be able to solve problems for people or venture where she shouldn't be. Rosalind Thorne lost every I am really enjoying this series so far! If she finds Charlotte, does she want to be a family again or is she happy living alone? When her friend Alice comes to her with a friend in need of Rosalind's help, Rosalind isn't sure she can help.
