Roadhouses formed part of an imaginary America in suburban Britain that was promoted by the popularity of American movies, music and fiction, providing a pastiche of the American country club. Visit the Australia site Continue on UK site. Sorry, there was a problem saving your cookie preferences. While much work has been done on the Soho nightclubs of the s, the roadhouse has been largely ignored. Browse by volume. These values are for the period from September 2nd , when this repository was created. Are you an author? While much work has been done on the Soho nightclubs of the s, the roadhouse has been largely igred. Journal of Transport History. Roadhouses were so deeply ingrained in the romantic

imagination of British high society during the interwar years that they helped define a generation. The experience of suburban modernity looks at the history of the London suburbs in the interwar years. *Journal of Historical Geography*. In *Modern Britain*, Michael John Law demonstrates that our understanding of life in Britain just before the Second World War has been overshadowed by its dramatic political events. Try again. It should be read widely for both pleasure and academic interest. *Cars, Driving, Landscape, and the Architectural Gaze*. Visit the Australia site. *Transatlantic Transgressions 4*. Gutzke, Michael John Law. All this fun came at a price for some in the form of thousands of deaths in road accidents, plane crashes on suburban housing and in the despoiling of the countryside through road development. Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag. The sources make this a compelling account of the short life of the roadhouse as well as a significant and overlooked part of interwar domestic tourism and the role of the car in the development of middle-class leisure. During the day, they offered family activities such as tennis, archery, horse riding and swimming. Gutzke, David W. Roadhouses formed part of an imaginary America in suburban Britain that was promoted by the popularity of American movies, music and fiction, providing a pastiche of the American country club. Add to cart. These roadhouses were an important component in the transformation of leisure in the s and beyond, reflecting the increased levels of social and physical mobility brought about by new technologies, suburbanisation and the influence of American culture. Audible Download Audiobooks. Britons' views of Americans were likewise informed by films and by encounters with the American military during the war. At night, they provided all the fun of the West End with dancing, classy restaurants, cabaret, swimsuit parades and dance demonstrations, subverting the licensing laws to provide all-night drinking. My interest is the way that the British middle classes encountered the United States and the rest of the modern world in the middle part of the twentieth century. Painting an evocative portrait of Britain in the s as seen through the eyes of outsiders, Law depicts the characteristics and practices of these American visitors and compares them to their caricatures in British newspapers and magazines.
