

Central Floridians are no strangers to vacation — we're smack in the middle of one of the largest tourism spots on the globe. Every year hundreds of thousands of people flock to our state to get away from it all, but when you live here year round it's easy to forget how spectacular Orlando can be. Resorts near the theme parks are tourist-friendly, but Orlando residents deserve resort amenities, too — and now you can have them right at home with Solstice Apartment Homes. This luxury community offers one-of-a-kind statement apartments in the heart of Orlando's must-see theme park attractions, with easy access to downtown or wherever else your day takes you.

Experience the Lifestyle

Solstice Apartment Homes has amenities that you'd be hard pressed to find in any other apartment community in Orlando (or even some of the higher end resorts that tourists flock to every summer). The brand-new construction boasts top-notch finishes, nine-foot ceilings, and some of the largest square footage you'll find in the area. The use of space in the apartments is phenomenal: the design somehow marries cozy with spacious for an airy feel of a large luxury home, without the overwhelming feeling that sometimes comes with large rooms. Your personal space will have a five-star hotel edge. You'll also notice how quiet it is — aside from added privacy, the sturdy construction stops those little noises (like creaks, pipes and traffic) that can disrupt your day and affect your sleep. You'll sleep so well in Solstice Apartment Homes that you'll never want to sleep anywhere else.

Solstice also prides itself on its outstanding customer service. They've thought of everything with this community, from pet-friendly amenities (like an on-site dog park and a pet spa) to dedicated lockers for secure, 24-hour package delivery. Spunky yet chic interior design, like green couches harmonizing with gold architectural details, adorn the 24-hour resident lobby. The included kitchen fosters a sense of community as you chat with fellow residents waiting for your cup to brew. Free coffee every morning eliminates the need for that Starbucks run, and within the next few months a barista will be available on a

daily basis for all of your latte art needs.

Experience Wellness

The luxury community also has a real dedication to wellness — you won't need a pricey gym membership when you're already living in a home with top-tier equipment, multiple pools, and outdoor options for a complete workout. The state-of-the-art gym is filled with brand new Precor machines, a dedicated strength training area and a separate room complete with a Peloton bike and equipment for yoga. Swimmers will feel right at home at Solstice, too: an indoor resistance pool will get your heart pumping, and hot and cold plunge

pools help you recover from your workout and relax at the end of the day. A gorgeous outdoor Infinity pool is perfect for swimming laps or lounging with friends on a sunny day, and Crossfit-style equipment resembles an outdoor fitness playground for adults.

On top of the community's commitment to physical fun, there are plenty of options for recreation too. A 24-hour game room comes complete with foosball, billiards, and ping pong, and if you're looking to improve your golf game you can access the building's digital simulator to work on your swing.

Experience the Neighborhood

Solstice Apartment Homes is located in the heart of Orlando, and the neigh-

borhood is continuing to grow. Multiple outlet stores have made their home in the shopping plaza across the street, with a Target, Cheesecake Factory, and movie theater hot on the heels of other retail and dining establishments. The neighborhood is becoming more family-friendly with an elementary school in the works, and with an I-4 on ramp scheduled for completion mere seconds away from Solstice, you'll have access to downtown Orlando, theme parks, and anywhere else your daily adventures take you.

Experience the Ultimate

Whether you're a busy executive who wants a luxury experience under your

own roof, a theme park employee looking to up your living experience with a few roommates, or a family who wants a great environment for their kids in the heart of Orlando, Solstice Apartment Homes has options for you. **If you want to experience the ultimate in Central Florida living, you can find out more on solsticeorlando.com.**
