

Sex and the Smartphone

By Alex Harrell, Jaclyn Jermyn, Madison Lisle & Jenn Murphy

Looking for love or lust online can be tricky; revive your cold millennial heart with our ultimate online dating affinity matrix.

Fantasy

Less likely to turn into true love

Align
The stars will align for you... until Mercury enters retrograde.

PUNKmatch
As if punks would meet anywhere other than a basement show.

Ashley Madison
The Internet: definitely the best place to keep your secret about cheating on your spouse.

Beautiful People
Pretty people deserve pretty people. Narcissus would agree, don't you think?

Tastebuds
When he likes Phish and you don't like him enough to like Phish.

Parship
For those who base all their major life choices on BuzzFeed quizzes.

Seeking Arrangements
True love goes much deeper than age and appearance; but you better have deep pockets.

Happn
Think of Craigslist's "missed connections," but hornier.

Meet-An-Inmate
Let the thrill of conjugal visits and redacted love letters keep your love locked down.

Right Stuff
Yale grad seeks Harvard professor for relationship guaranteed to be written about in the *New York Times* wedding section.

Short Term

Requires less effort and time for results

3nder
For friends who insist they are a "package deal."

Grouper
If you love the paralyzing uncertainty of a "group hang," this is the app for you!

Fliqpic
It's like Chat Roulette... But with the same amount of penises.

Our Time
Life is too short to be lonely, especially if you're over 50.

Tinder
The vast range of human emotion reduced to a single swipe.

Requires more effort and time for results

Long Term

Twindog
Because Princess is a little lonely. And maybe you are, too.

Anastasia Date
Starting at \$5,000 per bride, you better believe it's true love!

Farmer's Only
Is that an ear of corn in your pocket, or are you just happy to see me?

Christian Mingle
Find the one who puts the "stud" in Bible study.

OKCupid
It's free!

eHarmony
If your ideal matchmaker is an old white dude, have we got the site for you!

Reality

More likely to turn into true love
