Bieber Fever! Bieber Fever! Bieber Fever!

Favorite Girl

SELENA GOMEZ

Selena kept her relationship with the Biebs under wraps for a long time before finally declaring her feelings publicly (even though she's always been a big fan!).

What She Has Said: "He's been in my life for so long. It's just nice to have someone that understands what you're going through."

Totally Crushin'

CAROLINE SUNSHINE

What She Says: "I think I definitely have a little bit of Bieber fever! I got to say I gained a lot of respect for him after seeing *Never Say Never*. It's a really great movie. He's a great talent and I've got a little crush."

RANDY HOLMES/DISNEY CHANNEL

Mad Respect!

BELLA THORNE

What She Says: "You know I really used to actually not bother with him, but I went to see his movie because I heard so many good reviews about it, and it was amazing. I'd never realized how talented he is. He was playing the drums at 2. I just think anybody that has that kind of talent should be where he's at. I have mad respect for him now. I think he's one of the most talented kids his age in Hollywood."
