Actor Brooklyn Decker is making waves where she lives in Austin, and in Hollywood, these days. Along with starring in the sixth season that just premiered of her hit Netflix show, *Grace & Frankie*, she also loves being a busy mom, wife to tennis champ Andy Roddick, and finding time for what matters most in her life as she catches up with our own *Lance Avery Morgan*.

I LOVE THE ANDY RODDICK FOUNDATION BECAUSE... AUSTIN doesn't succeed until everyone in Austin succeeds, and Andy understands the responsibility of that. People are continually looking to Austin to find the *what's next* and it's exciting to think our city can set the example for what the program *Out of School Time* can look like, nation-wide, because of ARE.

The best career advice I've received is... Just marry him. Oh, did you say best or worst?

Three qualities that got me where I am today are... I work my ass off. I am incredibly curious and love to learn. I married rich.

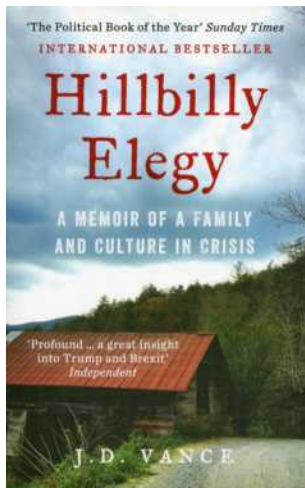

How I made my first dollar... by selling shaved ice.

Last thing I binge/marathon watched was... *Black Monday*.

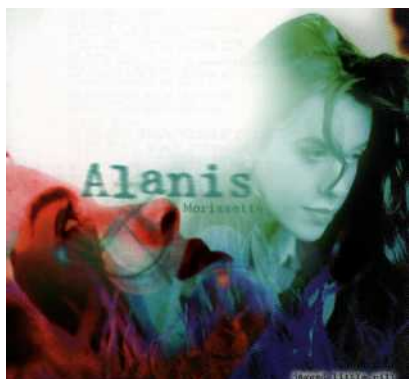

My style icon is... Bianca Jagger or Carolyn Murphy.

My personal style signifier is... a lot of denim. Apparently, you can't take Texas outta the girl.

A classic designer I wish was still designing today is... Edith Head. She knew how to design for women and created some of the most iconic on-screen looks we know and love.

Book that left a lasting impression on me was... *Hillbilly Elegy* by J.D.Vance. It takes place where I was born and where my mom and a huge chunk of my family are from. It helped me to understand them on a deeper level.

First album I bought was... Alanis Morissette's *Jagged Little Pill*.

If I could live in a foreign city it would be... Amsterdam.

What everyone/woman should try in her lifetime is... You should ask Lily Tomlin.

My perfect day would begin with... My babies sleeping in very late, then running into my bed to snuggle.

My perfect day would end by... Sipping a White Russian, watching a Hallmark movie or political debate, and some making out by the fire.

One thing I am exceptionally good at that most might not know is... My voice ain't half bad.

If I could compete in an Olympic sport it would be... Gymnastics. Growing up, I worshipped those women.

The beauty essential you'd have to pry out of my cold, dead hands is... Beauty Counter Red Lipstick.

In my fridge you will always find... Oatmilk and fancy cheese. 🍷
