

FABRIC

We're a professional producer and manufacturer of all kinds of [discount fabric](#), fashion fabric, wholesale fabric of warp knitting fabrics, such as spandex fabric, suit fabric, dress fabric, tricot fabric, and suede fabric, which are widely used for swimwear, suit, upholstery, etc.

Most of our fabric products are exported to European and American countries with competitive factory prices, which sell very popular and enjoy good reputation there. We have obtained the INTERTEK certification from the largest inspection company in the world. Through the strict tests, we make sure all our products are green and environmental.

We hope to have more negotiation and cooperation with domestic and oversea customers, achieving mutual benefit and win-win result. Don't hesitate to contact us, and we have the most competitive factory price for you.
