## Honeymoon

### ◀ DOUBLEPOOL VILLAS

Playful romance blends with understated opulence in the luxury Doublepool Villas. A 15m private pool, poolside dining patio and personal stream room are just a few of the amenities to explore in this one bedroom pavilion. The decor is traditional Thai, tasteful and elegant.

They say breakfast is the most important meal of the day, and you can expect a delicious breakfast feast at the Banyan Tree. Sushi, dim sum, spicy Thai noodles, French pastries and fruit platters will grace every table. For dinner, we'd recommend Saffron, which is the hotel's signature restaurant for a gastronomical experience out of the ordinary. Try the Paneang Moo, a red curry in a spicy fragrant coconut cream sauce.
